HOMICIDES

First Precinct

Joseph Gaglione, 27 years old, of 121 Erie Street, shot and killed Joseph Quattrocchi while in the latter's tin shop, 1 Court Place, at 9:15 a. m., August 19, 1921. The shooting followed an argument over the payment of a $10.00 debt. Gaglione was arrested by Patrolman Thomas G. Sinclair as he was leaving the shop. The case is pending.

Jack Labue, 23 years old, shot his step-father, Anthony Merlo, at 2:25 p. m., December 19, 1921, from which wounds Merlo died at 1:20 a. m., December 21, 1921. Labue was also shot during this affair, but his wounds proved superficial. Merlo's inhuman treatment of his wife, Labue's mother, extended over a long period of time and was the cause of the disagreement which resulted in the shooting. Labue was arrested on a charge of murder. The case is pending.

Cologero Terrana, alias Puccini, 35 years old, shot and killed Luigi Avacello, 30 years old, in his room at 90 Commercial Street, at 8:30 a. m., December 24, 1921. The man was shot while lying in bed. The murder followed an argument over money matters. Terrana escaped and has not been apprehended.

Second Precinct

Anthony Ciocca, 38 years old, of 58 Myrtle Avenue, shot Frank Marconio, 23 years old, of 143 Myrtle Avenue, at 5 p. m., March 20, 1921, during an argument over a card game which was in progress in the soft drink place of Sebato Bevilacqua, at 331 Seneca Street. The wounded man died the next morning in the Emergency Hospital. Ciocca was arrested at 10:45 p. m., March 21, 1921, by Captain John Creahan, Detectives Martin Murphy and Peter J. Perry, on a charge of murder. In the trial which followed the defendant was found guilty and sentenced to not less than twenty years at Auburn Prison.

Panteno Ranero, 28 years old, of 14 Myrtle Avenue, shot Albergo Illardi, 33 years old, of 14 Myrtle Avenue, at 10:00 p. m., April 16, 1921, while both parties were visiting at the home of their mutual friend, Oresti Fonati, 313 Seneca Street. Illardi died at the Emergency Hospital on April 19, 1921. Ranero was arrested by Patrolman Edward L. Scanlon while attempting to make his escape from the house after the shooting. A commission of doctors declared Ranero insane and he was committed to the Mattewan Asylum for the criminal insane.

Police Reserve Sergeant Edward Wilson, 35 years old, of 490 East Eagle Street, was shot and killed at 11:10 p. m., May 27, 1921, by Oscar Edwards, negro, 28 years old, of 235 Clinton Street. The shooting occurred on the front hall stairs of the house at 235 Clinton Street, to which place Sergeant Wilson had gone to answer a complaint. The negro before making his escape shot four other inmates of the house, including his own wife. He has not been apprehended.

Filippo Re, 45 years old, of 357 North Division Street, was shot and killed at 11:35 p. m., July 26, 1921, while walking on Cedar Street near South Division Street. Two men who fired the shots were seen running west on South Division Street, but no description could be obtained. One arrest was made in this case, but the defendant, Paul DiNaggio, 26 years old, of 102 Dante Place, was discharged owing to lack of evidence.

Third Precinct

John Veroskey, alias Harvey Reynolds, 27 years old, of 103 Cliff Street, Pittsburgh, Pa., murdered his wife, Barbara, 20 years old, at 4:45 p. m., July 21, 1921, by pouring a pint of carbolic acid on her face and down her throat. The woman was employed at the Thompson Hair Dressing Shop, 242 Franklin Street, and it was there that her husband found her and committed the deed. Veroskey made his escape from the shop, but was taken into custody a few minutes later by Patrolman Thomas R. Eggleston at the corner of Chippewa and Delaware. Mrs. Veroskey, who resided at 438 Sherman Street with her family, died in the Emergency Hospital. Alienists, after due examination of Veroskey, declared him insane and he was committed to the Mattewan Hospital.

Stephen Rose, 55 years old, of 184 Niagara Street, employed as night watchman at Louis' Restaurant, 535 Main Street, was severely beaten on the head with some blunt instrument, from which injuries he died at 7:00 a. m., May 6, 1921. Lawrence Terrance, negro, 31 years old, of 142 Oak Street, was arrested in Philadelphia on May 22, 1921, by Detectives Percy, Duchene and Patrolman George Sarsnett on a charge of murder. He was found guilty and sentenced to die in the electric chair.

Mrs. Teresa Herman, 40 years old, of 238 Carolina Street, was shot and killed at 7:30 p. m., May 17, 1921, by George Schoenle, 38 years old, of the same address, Schoenle at the same time shot Tony Cortesis, 34 years old, who was visiting Mrs. Herman. Schoenle was arrested by Patrolman John L. Cofield as he was making his escape. After due trial the defendant was sentenced to twenty years in Auburn prison.

Fourth Precinct

Douglas-Gibson, colored, 37 years old, of 55 Mortimer Street, stabbed Oliver Allison, 35 years old, of 192 Hickory Street, at 2:30 a. m., August 20, 1921, from which stab wounds Allison died two days later in the Emergency Hospital. Allison, accompanied by two other men, is alleged to have made some insulting remark to Mrs. Gibson, who was accompanying her husband. An argument started and the stabbing followed. Gibson was arrested several days later by Captain William H. Milan on a charge of murder. The Grand Jury failed to indict him and he was subsequently discharged.

Fifth Precinct

John Keyes, 68 years old, of 58 Forest Avenue, was found dead in his bed, at 8:00 p. m., May 6, 1921, by his son, Henry Keyes. The man had been bound and gagged and a heavy quilt thrown over his head. This had caused suffocation. Daniel Ostrander, a half-breed Indian, 40 years old, was arrested in Kansas City, Mo., a few days later and charged with this crime. He was brought to this city, charged with this crime, found guilty after a trial, and sentenced to twenty years in Auburn Prison. Keyes held a chattel mortgage on Ostrander's furniture for $100.00, and

it was for the purpose of evading this payment that Ostrander had bound Keyes in his bed so that he could make his escape with the furniture to another city.

Sixth Precinct

Mrs. Loretta Rieman, 29 years old, shot and killed her 10 year old daughter, Alta, at 7:00 p. m., December 14, 1921, in a room of their home at 77 Inwood Place. After killing the child Mrs. Rieman attempted suicide by shooting herself in the left breast and by inhaling gas fumes. The wound did not prove fatal and the woman was brought to trial on a murder charge. The case is pending.

Seventh Precinct

Domonic Joblonecski, 31 years old, of 326 Ohio Street, threw a brick at Joseph Karasiervic, 30 years old, of the same address, striking him on the head. The assault occurred at 3:45 p. m., February 20, 1921, and the death of Karasiervic followed three days later in the Emergency Hospital. Jobloneczki was arrested on a charge of murder. The case is pending.

Joseph Krystolowitz, 38 years old, and Ludwig Scaraha, 43 years old, both of 127 Van Rensselaer Street, shot each other at 11:30 a. m., November 20, 1921, from which wounds Krystolowitz died a few hours later in the Emergency Hospital. The shooting occurred in front of the premises at 412 Fulton Street. The shooting was interrupted by the timely arrival of Patrolman George F. Elliott, who disarmed Scaraha and sent both men to the hospital. Krystolowitz is alleged to have run away with Scaraha's wife. Scaraha was indicted by the Grand Jury. The case is pending.

Eighth Precinct

William White, 39 years old, of 396 Madison Street, murdered his wife, Erma, 29 years old, at 2:30 a. m., January 13, 1921, by cutting her throat with a razor. He then committed suicide in the same manner. They were found dead in their bed at 8:45 a. m., January 13, 1921. The loss of his wife's affections caused White to commit this act, according to a note he left.

Isabelle Hall, colored, 30 years old, of 44 East Peckham Street, was assaulted with a flat iron at 2:00 p. m., June 25, 1921. Fred Ray, colored, 26 years old, was arrested shortly after the commission of the crime by Captain Jeremiah O'Brien, Detective Edward Stribick and Patrolman John J. Fitzgerald. The officers had the woman removed to the Emergency Hospital, where she died an hour later. Ray was arraigned in court and after a trial was sentenced to Auburn Prison for not less than seven years and not more than fifteen years.

George Kozirug, 38 years old, of 54 Pink Street, was fatally shot at 11:00 p. m., May 30, 1921, by John Karwaczynski, 22 years old, of 23 Cochrane Street, who was a visitor at the Kozirug home. An argument started over Kozirug living with Fatyna Kasuba, a woman not his wife. Karwaczynski escaped at the time, but was apprehended a week later by Detective Sergeants Michael Murphy, George Maloney, William Courtney and John Pauley as he was about to enlist in the United States Navy. After due trial he was sentenced to Elmira Reformatory until discharged by law.

Ninth Precinct

Mrs. William H. White, 44 years old, of 155 Good Avenue, was shot and killed at 6:00 p. m., January 12, 1921, by Ralph Toulman, 24 years old, a boarder at her home. Toulman then shot and killed himself. The man was evidently despondent, owing to lack of employment, sickness, and a recent dishonorable discharge from the army. He was a musician and had been requested by Mrs. White, shortly before the shooting, to stop playing, as she was ill. This evidently angered him, and words followed. Toulman had been a boarder at the White home for several years.

Michael Lankes, 32 years old, of 50 Dorris Avenue, was shot at 9:50 p. m., October 1, 1921, as he came from his store at 1095 Seneca Street. Three men made their escape. They intended to rob him of his collections which he carried with him. On October 23, 1921, Arthur Mullady, 24 years old, of 318 West Forty-seventh Street, New York City, was arrested there by Detectives William J. Burns and Daniel Mahoney. The prisoner implicated Herman Radice, taxi-cab driver, of 414 Front Avenue, this city, and Michael Honan, 23 years old, of 425 West Fifty-seventh Street, New York

City. Radice was taken into custody by Detective Sergeant George Maloney, but Honan could not be located. Mullady and Radice were indicted by the Grand Jury and are now awaiting trial.

Tenth Precinct

Luther P. Graves, 28 years old, of 230 West North Street, was shot at 11:45 p. m., March 17, 1921, by an unknown assailant, while walking through the yard in the rear of 267 West North Street. Graves was taking a short-cut to his home after placing his auto in the garage for the night. He was removed to the Buffalo General Hospital where he died at 5:00 a. m., March 18, 1921. The case has not been solved.

Twelfth Precinct

John Krause, 50 years old, of 463 Riley Street, was seriously assaulted in his shoe repair shop in the rear of the above number at 4:20 p. m., November 14, 1921. The assailant struck Krause in the back of the head with some blunt instrument as the shoemaker stooped to pick up a pair of shoes. Krause was removed to the Deaconess Hospital where he died at 12:10 p. m., November 18, 1921. The motive for this crime was evidently robbery but nothing was taken from the shop, the murderer being evidently frightened away. No arrests have been made in this case.

Mrs. Martha Gast, 35 years old, of 19 Moeller Street, was seriously assaulted with a hammer at 9:30 p. m., November 19, 1921, while lying on a couch in the dining room of her home. Her assailant was her husband, John Kast, 40 years old, who, after assaulting her went to the kitchen of his home where he cut his own throat with a razor. He died a few minutes later. The wife was removed to the Emergency Hospital where she died November 29, 1921. It is believed that the husband became mentally deranged from heavy drinking.

Thirteenth Precinct

George Supowich, 42 years old, of 132 Esser Avenue, was shot and killed at 11:00 p. m., March 7, 1921, by his step-son, Thomas Kizelick, 25 years old, of 127 Esser Ave-

nue. The shooting took place in the home of the murdered man and was the culmination of a six week quarrel between Supowich and his wife. Mrs. Supowich appealed to her son for protection from the beatings which her husband was inflicting upon her. The son went to the house, became embroiled in an argument with the husband, and the shooting followed. He was arraigned in court, held for the Grand Jury, and discharged when that body failed to indict him.

Adam Nowak, 28 years old, of 168 Parish Street, and Joseph Wasmuth, 32 years old, of 304 Amherst Street, laborers at the Bond Plant of the American Radiator Company, were seriously assaulted at 2:10 a. m., April 17, 1921, while working in a yard at the rear of the above plant. Both men were struck on the head with some blunt instrument. They were removed to the Homeopathic Hospital where Nowak died on April 30, 1921. Wasmuth is still confined to that institution. Robbery was evidently the motive for this crime. No person has been apprehended.

Patrolman Winfield S. Willis was shot at 9:10 p. m., August 21, 1921, while making an investigation of a street fight at the corner of Amherst and East Streets. He was taken to the Columbus Hospital where he died at 3:10 p. m., August 22, 1921. Salvatore Buffone, 31 years old, and Nick Mingarelli, 31 years old, both of 128 Dearborn Street, were arrested by our officers on a charge of murder. The case is pending.

REPORT OF THE POLICE SURGEON

JOHN F. BURFEIND,
Chief of Police.

Dear Sir:—In compliance with Rule 159 of the Rules and Regulations for the government of police in the City of Buffalo, I herewith, submit the report of the Surgeon of the Department of Police for the year ending December 31, 1921.

Died of injuries received in performance of duty:

Patrolman Winfield S. Willis,	August	21, 1921—
Patrolman Charles A. Schmitt,	December	15, 1921—

Died from natural causes:

Captain Edward Simon,	June	9, 1921—
Lieutenant Joseph Godfrey,	September	19, 1921—
Patrolman Henry Greenough,	March	9, 1921—
Patrolman Frank Prefert,	September	16, 1921—

During the year nine members of the department were granted pensions and retired from active duty. Of this number four, three men and one woman, took advantage of the law allowing retirement for length of service; five, two men and three women, were retired on account of physical disabilities. A census of the department shows approximately 64 men, who, by long service and physical disabilities, have become unable to perform their duties and should be retired in the near future if its efficiency is to be maintained.

There has existed no epidemic disease during the past year. The usual diseases to which all adults are subject have existed. The usual injuries, chiefly minor in character have existed. The total days lost time for the year were 6859. Based on the total strength of the department, 1021 members, the average is 6.82 days per man. This is higher than 1920 which showed an average of 5.88 days per man.

During June, 1921, the Common Council passed an ordinance allowing full pay to all members of the department for disability, not to exceed six months. For the last

six months of 1921, 3894 days were lost compared with 2742 for the same period of 1920, an increase of 1152 days or 42%.

A recent inspection of all station houses was made. Generally they are in need of thorough repairs and redecoration. They show neglect as to cleanliness and order. As a rule the amount of time devoted by the janitresses to their work is insufficient to maintain proper cleanliness.

The position of janitress has been adjudged pensionable and a number of janitresses have been awarded pensions. Appointments to this position has not been from a Civil Service list. I would recommend that a Civil Service list be created for this position from which future appointments be made. I would again call attention to the need for a gymnasium that the members of the department might be kept in good physical condition.

Respectfully,

EDWIN A. BOWERMAN,
Surgeon of Police.

MOTORCYCLES

There are 22 motorcycles in use by the Motorcycle Squad 11 of which are assigned to the east side, and 11 to the west side of the city. There are also 14 motorcycles with side-cars attached thereto, which are assigned to duty in the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th and 14th precincts.

BICYCLES

There are 15 bicycles in use in the department, one bicycle to each of the 14 precincts with the exception of the Tenth Precinct, to which 2 bicycles are assigned.

GARAGE

At No. 1 Garage we have a fully equipped Repair shop to which four men are attached, to take care of overhauling and repairs to automobiles. This repair shop results in considerable saving of time and money in the Department, as it obviates the necessity of sending automobiles to private repair shops for this work.

JOHN J. RYAN, No. 1,
Lieutenant Commanding.

REPORT OF ELECTRICAL BUREAU

JOHN F. BURFEIND,
Chief of Police.

Sir:—In accordance with Rule 168 of the Rules and Regulations of the Buffalo City Police Department, I respectfully submit the annual report of this department for the year ending December 31, 1921.

During the year the Electrical Bureau was operating its apparatus under unfavorable conditions due to the limited amount of floor space provided in the Law Exchange Building which at present is being used as Police Headquarters, and on this account the patrol signal system in the 1st, 2nd, 4th, 5th, 6th, 9th, 11th, 12th, 13th and 14th terminated in their respective precinct stations. Formerly these patrol signal circuits also terminated at Central Office.

We have recently put in operation the flashlight signal system in the 1st precinct. This system is now operating in the 1st, 3rd, 7th, 8th and 10th precincts. We have noted a marked improvement in this system in the audible signal arrangement for which in the 1st, and 10th precincts an electrically operated horn instead of a bell is being used. We have found that the bells are not reliable and do not give the service that we get from the horn. I would therefore respectfully recommend that the electrically operated horn be also installed in place of the bells in precincts 3, 7 and 8.

When the old Police Headquarters Building and 1st precinct station was reconstructed and completed part of the second floor of the building was allotted to the Electrical Bureau which gave us floor space enough to establish a Central Signal Office and batteryroom, and when the equipment of this office is completed the signal system will be improved considerable. Part of the old apparatus and switchboards that were damaged by the fire are now being put in condition for operation. Other equipment was damaged to such an extent that we were compelled to replace it with new material. At the completion of the 1st precinct station building this bureau made a final inspection and found that

the fire done considerable damage to the flashlight signal system. This system we also put in shape and it was recently turned over for operation.

The old Gamewell patrol signal system operating in the 2nd, 4th, 6th, 9th, 11th, 12th, 13th and 14th precincts has been in operation for 32 years and has been repaired so often that practically all of this apparatus is about beyond further repairs and is taking up considerable time of this bureau to keep it in working order. In spite of our efforts it may break down at any time. On account of this alarming condition I would therefore respectfully recommend that something be done at once to remedy this condition, either to renew the Gamewell system or to replace it with the modern up-to-date flashlight signal system which is operating so successfully in the 1st, 3rd, 7th, 8th and 10th precincts.

A wireless outfit was installed by this Bureau at Police Headquarters during the month of December and is now in operation.

The aerial and underground cables and conductors are in good condition.

During the removal of our storage battery plant from the basement to the second floor and in replacing and reassembling them we found that there were about 300 storage battery groups that were not fit for further use. These groups were replaced and our battery plant is now in first class condition.

The appearances of the patrol booths and flashlight standards are such that I would respectfully recommend that they be given two coats of a good substantial black paint on the exterior and two coats of a light color on the interior of the patrol booths. The patrol booths have not been painted during the last seven years and they are rusting at the base. This requires that they be repaired quite frequently.

Respectfully,

JACOB GRIMM,
Chief Police Signal System.
